Safety Policy

A company that experiences a safety-related fatality of a direct employee in the United States within the current program year (Oct. 16, 2023-Oct. 15, 2024) is NOT eligible for an Excellence in Construction Award. If a subsidiary is a direct ABC member versus part of a larger holding company member, then the subsidiary with a safety-related fatality is not eligible, but another subsidiary of the same holding company may be.

A company that experienced a safety-related fatality of a direct employee in the United States within two or three years of the current program year is required to provide additional information regarding action that has been taken following the fatality. (See Safety Requirements for additional details).

No project that involves prime, multi-prime or sub-trade contractors with a safety-related fatality is eligible to be considered for an award.

Project Award Category Form – Specialty Contracting

You may select only ONE category indicating the dollar amount of the contract for the project.

ABC reserves the right to change an entry's original category if it determines that a project's opportunity to win will be enhanced by the change to the new category. ABC also reserves the right to redistribute the contract volume levels within a category.

Community / Public Service
